

THESIS WORKSHEET

Before beginning thesis credits, all students must complete this form.

NOTE: Once you begin taking thesis credits, you are required by FIU to stay continuously enrolled in thesis through your graduation. The MFA program requires that you take the regular thesis course (3 credits) twice. Thereafter, and in summer, you may take Thesis Continuation (1 credit). It is not uncommon to graduate with more than the min. of 6 thesis credits.

Student Name:

Year/term entered program:

Remaining requirements (other than thesis credits) after current semester:

You should be using self-advising form. You may not begin thesis credits till you have substantially completed other requirements and you should have a plan for how you will fulfill all requirements in time remaining. You may outline your plan briefly here.

Anticipated graduation semester: **(cannot be summer)**

Type of thesis proposed:

(Examples: Fiction: Novel; Fiction: Story Collection; Poetry: Collection; Non-fiction: Memoir; Non-Fiction: Narrative; Non-Fiction: Essay collection; Screenplay)

Please list 2 or 3 published works in the category of your project, to help give an idea what you have in mind:

Brief description of proposed project:

(Maximum of 200 words; should describe the plot or structure of the project, the basic thematic concerns, and the stylistic approach, as in satirical novel, confessional poetry, etc.)

Requests for Director & 2nd Reader:

(3rd reader, a member of the literature faculty, does not need to be set up at this time. Assignments will be made on the basis of student request, faculty workload, and other programmatic concerns.)
