

Dear Student:

In this course you will be using MyMathLab – an online resource to help you assess your math skills, do homework, take tests, view tutorial videos, and more!

What you need to begin:

- **A Student Access Kit** (packaged with a new textbook or available for purchase online with a major credit card).
- **A valid email address**
- **Your school's zip code:** 33199

In addition, your instructor will provide you with:

- **A "Course ID" Number:** MAC1105-Spring2010-U16 (if you attended TR 9:30-10:45) or MAC1105-Spring2010-U16 (if you attended TR 12:30 – 1:45)

Student Registration:

- Enter <http://www.coursecompass.com> in your Web Browser.
- Under **Students**, click the "**Register**" button.
- Read the "Before you start" information and click **Next**.
- Enter your **Course ID** as provided by your instructor and click **Next**.
- Confirm that this is your course and click "**Register with a Student Access Code.**" *If you do not have a code, click "Buy Course Access Online" and follow those steps to purchase and register.*
- Read the License Agreement and Privacy Policy and click "**I Accept.**"
- Select "**No, I am a New User**" and type in your **Access Code** in the fields provided.
- Enter your School's **Zip Code**, select your **Country** and click **Next**.
- Enter your **Name** and **Email** and select **Your School**
- Create your **Login Name** and **Password**, answer the **Security Question** and click **Next**.

Once successful, you will receive a **Confirmation & Summary** screen; write down your confirmed login/password in case you forget it! A confirmation email will also be sent to you - if you use a Spam email blocker, be sure to allow emails from Pearsoned.com.

Logging In:

- Go to <http://www.coursecompass.com> and click the **Log In** button for Students.
- Enter the **login name** and **password** you just created and click **Log In**.
- You will see the name of your **course** listed on the left; click that link to access your course and Announcements. It's a good idea to bookmark the www.coursecompass.com URL.

IMPORTANT: The first time you enter the site from your personal computer **and** anytime you use a new computer, click on the software **Installation Wizard** on the Announcements page. This wizard will walk you through installing the software that you will need to use all resources. Note: Software may already be installed on the school's lab computers; check with your lab administrator.

Need Help?

MyMathLab allows you access to our Tutor Center at 1-888-777-0463. Visit www.pearson tutorservices.com for hours and available services.

For technical assistance, go to http://www.mymathlab.com/contactus_stu.html for student "getting started" information, to fill out an online request form, or to use Pearson's live "Chat" feature to talk with a member of the support team.

We wish you success in your course!
